

Southern Adelaide and Fleurieu Secondary Schools Alliance (SAFSSA) have been fortunate to develop a relationship through mutual cooperation in supporting student pathways to Flinders University.

SAFSSA and Flinders University are offering an additional pathway to Flinders University for students undertaking a Vocational Education Training (VET) Certificate II/III.

This is a guaranteed pathway to Flinders University. To be eligible, students must:

- Successfully complete the South Australian Certificate of Education (SACE)
- Successfully complete the required Certificate II/III course
- Successfully complete the required Stage 2 subjects (as detailed below) at a C+ (C Plus) grade or higher

Entry is based on completing the VET Certificate and achieving a C+ (C plus) grade or higher in the subjects you choose from the list - No ATAR is required.

### Receiving an Offer

Students will apply through SATAC as standard and their school will notify Flinders University of students who are participating in the program. Once the university has received confirmation (via the school and SATAC) that all entry requirements have been met, students will receive an offer from SATAC, likely in January.

\*Additional entry requirements (Teaching Capabilities Statement) required - refer to relevant course webpage for specific details

Southern Adelaide and Fleurieu Secondary Schools Alliance (SAFSSA) have been fortunate to develop a relationship through mutual cooperation in supporting student pathways to Flinders University.

SAFSSA and Flinders University are offering an additional pathway to Flinders University for students undertaking a Vocational Education Training (VET) Certificate II/III.

This is a guaranteed pathway to Flinders University. To be eligible, students must:

- Successfully complete the South Australian Certificate of Education (SACE)
- Successfully complete the required Certificate II/III course
- Successfully complete the required Stage 2 subjects (as detailed below) at a C+ (C Plus) grade or higher

Entry is based on completing the VET Certificate and achieving a C+ (C plus) grade or higher in the subjects you choose from the list - No ATAR is required.

### Receiving an Offer

Students will apply through SATAC as standard and their school will notify Flinders University of students who are participating in the program. Once the university has received confirmation (via the school and SATAC) that all entry requirements have been met, students will receive an offer from SATAC, likely in January.
